United States (US) Patent Markings for the Paradise products are identified below. The patents apply to all package counts, unless stated differently. The products may be sold individually or as part of a combination product. The following list of products and U.S. patents may not be all inclusive, and other products not listed here may be protected by one or more patents. This document serves as notice under 35 U.S.C. §287(a) that the following products are protected by one or more U.S. patents. Each product also may be covered by one or more foreign patents, and additional patent application(s) may be pending. If you have any questions about this list, please email patents@recormedical.com.
